Why Take This Course?

Imagine what the class designed by **Rita Mulcahy PMP**, one of the world's greatest experts on the PMP® Exam, might be like. Why should you take our PMP Exam prep class?

1. Study Time ~ Only 40 hours of study or less needed after this course.
2. Instruction ~ This course uses accelerated learning techniques. Project managers who are also expert trainers teach our courses! We hear, "This was the best class I have EVER attended on ANY topic!"
3. You will utilize the best-selling materials available to pass the PMP® Exam-including Rita's book, PMP® Exam Prep. You will also gain access to study materials not otherwise available to the general public.
4. You will learn topics that are on the exam but are NOT in the *PMBOK® Guide*, as well as, reasons why others fail the exam and how to avoid these critical mistakes.
5. You will understand how to analyze and answer the most difficult questions on the exam, and quickly tackle situational questions that seemingly have more than one correct answer.
6. You will discover what you know, as well as what you do NOT know, and receive help filling your knowledge gaps.
7. **The course gives me 21 PDU / training hours, but to apply for PMP exam I need 35 hours. What do I do?**

Yes, according to PMI strict rules, you can acquire 7 accredited training hours per each day of this course. That means that you will need to get additional 14 training hours in order to become eligible to apply for the PMP Exam. We advise you to double-check with your Manager/PMO Head /HR Dept., as any education in Project Management you might have previously attended; either "in-house" or public course will count toward your training hours. So, it may turn out that you already have enough training hours. If not, then you need to take another 2-day class.
